| INTISARI.....                                       | xiii |
| ABSTRACT.....                                       | xiv  |
| BAB I PENDAHULUAN .....                             | 1    |
| 1.1    Latar Belakang .....                         | 1    |
| 1.2    Rumusan Masalah .....                        | 4    |
| 1.3    Batasan Masalah.....                         | 4    |
| 1.4    Tujuan Penelitian.....                       | 5    |
| 1.5    Manfaat Penelitian.....                      | 5    |
| BAB II TINJAUAN PUSTAKA.....                        | 6    |
| BAB III LANDASAN TEORI.....                         | 10   |
| 3.1    Gizi .....                                   | 10   |
| 3.1.1    Gizi Buruk.....                            | 10   |
| 3.1.2    Penyebab Gizi Buruk .....                  | 11   |
| 3.1.3    Dampak Gizi Buruk .....                    | 13   |
| 3.2    Uji Asumsi.....                              | 13   |
| 3.2.1    Uji Representatif .....                    | 13   |
| 3.2.2    Uji Multikolinieritas.....                 | 14   |
| 3.3 <i>Principal Component Analysis</i> (PCA) ..... | 15   |
| 3.4    Analisis <i>Cluster</i> .....                | 18   |
| 3.5    Penentuan Jumlah <i>Cluster</i> Terbaik..... | 19   |

|                                     |                                                          |    |
|-------------------------------------|----------------------------------------------------------|----|
| 3.6                                 | <i>Fuzzy C-Means</i> .....                               | 20 |
| 3.7                                 | Menginterpretasi dan Memprofilisasi <i>Cluster</i> ..... | 22 |
| 3.8                                 | Validasi <i>Cluster</i> .....                            | 23 |
| BAB IV METODOLOGI PENELITIAN .....  |                                                          | 25 |
| 4.1                                 | Populasi dan Sampel Penelitian .....                     | 25 |
| 4.2                                 | Variabel Penelitian .....                                | 25 |
| 4.3                                 | Metode Pengumpulan Data .....                            | 29 |
| 4.4                                 | Metode Penelitian .....                                  | 29 |
| 4.5                                 | Diagram Alur Penelitian .....                            | 30 |
| BAB V ANALISIS DAN PEMBAHASAN ..... |                                                          | 31 |
| 5.1                                 | Analisis Deskriptif .....                                | 31 |
| 5.2                                 | Uji Representatif Data .....                             | 40 |
| 5.3                                 | Uji Multikolinieritas .....                              | 41 |
| 5.4                                 | <i>Participal Component Analysis</i> .....               | 42 |
| 5.5                                 | <i>Analisis Clustering</i> .....                         | 45 |
| 5.5.1                               | Penentuan Jumlah <i>Cluster</i> .....                    | 45 |
| 5.5.2                               | <i>Clustering Fuzzy C-Means</i> .....                    | 48 |
| 5.6                                 | Karakteristik <i>Cluster</i> .....                       | 49 |
| 5.7                                 | <i>Validitas Clustering</i> .....                        | 50 |
| BAB VI PENUTUP .....                |                                                          | 52 |
| 6.1                                 | Kesimpulan .....                                         | 52 |
| 6.2                                 | Saran .....                                              | 53 |
| DAFTAR PUSATAKA .....               |                                                          | 54 |
| LAMPIRAN .....                      |                                                          | 58 |
