Acknowledgement…… v

Table of Contents……. viii

List of Tables…… xi

List of Figures…….. xii

Abstract…… xiii

Abstrak……..... xiv

CHAPTER I INTRODUCTION……. 1

1.1 Study Background……. 1

1.2 Problem Identification……... 4

1.3 Research Objectives……... 4

1.4 Research Contribution…… 5

CHAPTER II LITERATURE REVIEW…… 6

2.1Theoretical Review……. 6

2.1.1 Modern Portfolio Theory……..... 6

2.1.2 Portfolio Construction…… 8

2.1.3 International Diversification……... 9

2.1.4 International Diversification and Currency Risk……..... 10

2.1.5 International Diversification and Hedging Policy…….. 10

2.2 Conceptual Framework…….. 14

2.3 Hypotheses Development…….. 14

CHAPTER III RESEARCH METHODOLOGY…….. 17

3.1 Type of Data…… 17

3.2 Population and Sample Design……... 17

3.3 Research Variables……. 18

3.4 Technique of Analysis…… 19

3.4.1 Local Stock Market Return and Risk…… 19

3.4.2 International Diversified Portfolio Construction without Hedging Strategy…… 21

3.4.3 International Diversified Portfolio Construction with Hedging Strategy…….. 24

CHAPTER IV DATA ANALYSIS AND DISCUSSIONS……..... 29

4.1 Domestic Performance……. 29

4.2 International Portfolio Performance without Hedging Policy……. 32

4.2.1 Equally Weighted Portfolio Strategy Performance..... 33

4.2.2 Minimum Variance Portfolio Performance…….. 34

4.2.3 Tangency Portfolio Performance…….. 36

4.3 International Portfolio Performance with Hedging Policy…….. 38

4.3.1 Equally Weighted Portfolio Performance……. 38

4.3.2 Minimum Variance Portfolio Performance……..... 40

4.3.3 Tangency Portfolio Strategy Performance…… 41

4.4 Comparison between Domestic, International Portfolio with Hedging, and International Portfolio without Hedging……. 45

4.4.1 Return…….. 45
4.4.1.1 EQW…….…… 46
4.4.1.2 MVP……. 47
4.4.1.3 TG…… 49
4.4.2 Risk……. 51
4.4.2.1 EQW…… 51
4.4.2.2 MVP……. 53
4.4.2.3 TG……..... 55
4.4.3 Return/risk Ratio……..... 57
4.4.3.1 EQW……... . 58
4.4.3.2 MVP……. 59
4.4.3.3 TG……..…... 60
4.4.4 Return and Risk Summary……...…... 61
CHAPTER V CONCLUSIONS AND RECOMMENDATIONS…….....…. 65
5.1 Conclusion…….. 65
5.2 Research Limitation……... 67
5.3 Recommendation……..... 68
REFERENCES……... 69
APPENDICES……...….. 73

LIST OF TABLES

Number	Title of Table	Page
Table 3.1	Conceptual variables of research study…….	19
Table 4.1	Expected Return, Standard Deviation and Return/risk Ratio of Domestic Index Performance……	31
Table 4.2	Expected Return, Standard Deviation and Return/risk Ratio of Unhedged International EQW Portfolio……	33
Table 4.3	Expected Return, Standard Deviation and Return/risk Ratio of Unhedged International MVP Portfolio……	35
Table 4.4	Expected Return, Standard Deviation and Return/risk Ratio of Unhedged International TG Portfolio……...	37
Table 4.5	Expected Return, Standard Deviation and Return/risk Ratio of Hedged International EQW Portfolio……	39
Table 4.6	Expected Return, Standard Deviation and Return/risk Ratio of Hedged International MVP Portfolio……	40
Table 4.7	Expected Return, Standard Deviation and Return/risk Ratio of Hedged International TG Portfolio……	42
Table 4.8	Summary of Hedged and Unhedged International Diversification with EQW, MVP, and TG Strategies and Domestic Performances……..	43
Table 4.9	Expected Return Hypothesis Testing of Unhedged EQW, Hedged EQW and Domestic Performance……	46
Table 4.10	Expected Return Hypothesis Testing of Unhedged MVP, Hedged MVP and Domestic Performance……	48
Table 4.11	Expected Return Hypothesis Testing of Unhedged TG, Hedged TG and Domestic Performance……	49
Table 4.12	Standard Deviation Hypothesis Testing of Hedged EQW, Unhedged EQW and Domestic Performance……	52
Table 4.13	Standard Deviation Hypothesis Testing of Unhedged MVP, Hedged MVP and Domestic Performance…….	54
Table 4.14	Standard Deviation Hypothesis Testing of Unhedged TG, Hedged TG and Domestic Performance……	56
Table 4.15	Return/risk Ratio Hypotheses Testing of Unhedged EQW, Hedged EQW and Domestic Performance……	58
Table 4.16	Return/risk Ratio Hypotheses Testing of Unhedged MVP, Hedged MVP and Domestic Performance…….	59
Table 4.17	Return/risk Ratio Hypotheses Testing of Unhedged TG, Hedged TG and Domestic Performance……	60
Table 4.18	Equally Weighted, Minimum Variance, and Tangency Strategies Performances Overview……	61

TABLE OF FIGURES

Number	Title of Table	Page
Figure 2.1	International diversification with and without exchange risk……	13
Figure 2.2	International diversification in Southeast Asia with and without hedging policy against domestic performance……..	14
