DEDICATION PAGE

Bismillahirrohmanirrohiim,
Assalamualaikum Warrahmatullahi Wabarakatuh,

In the name of Allah, The Most gracious, The Most Merciful. Alhamdulillah, all praise to Allah and Allah alone, for every giving and blesses to the author so that this Thesis Report could be done by Allah's guidance. Also *sholawat* and *salaam* toward Prophet Muhammad SAW and his family, friends, and all followers who have given us enlightment and fought as Allah's messenger to be forever in Allah's blessing.

Thesis is one of compulsory term to graduate from Industrial Engineering – International Program, Faculty of Industrial Technology, Universitas Islam Indonesia. The purpose of thesis as a compulsory course at Universitas Islam Indonesia, is to facilitate student learning opportunities in making scientific research. During the research, I got so much supports and favours. Here is the acknowledgement as a form of appreciation toward all advisor, supervisor, colleagues, and supporters:

1. First praise is to Allah, the Almighty, on whom ultimately we depend for sustenance and guidance.
2. My gratitude to Dean of Industrial Technology Faculty, Universitas Islam Indonesia.
3. My gratitude to Head of Industrial Engineering Department, Faculty of Industrial Technology, Universitas Islam Indonesia.
4. My sincere appreciation goes to my supervisor Drs. Imam Djati Widodo, M.Eng.Sc, whose guidance, careful reading and constructive comments was valuable. His timely and efficient contribution helped me shape this into its final form and I express my sincerest appreciation for his support in any way that I may have asked.
5. I am also deeply indebted to Human Resource Analyst Team of PT. Astra International Tbk. (Selection Team of Astra 1st 2015 Program), so that I was given the observation opportunities to conduct my thesis research.
6. Finally, I am forever indebted to my family who, understanding the importance of this thesis and suffered my hectic hours, giving me endless support, love, prayer, and motivation. I would like to express my sincerest gratitude to my parents for

supporting me spiritually throughout writing this report and my life in general. To my mother, Mrs. Nartiningsih and my father, Mr. Choirul Mashuda.

7. At last, special thanks, tribute and appreciation to all whose their names do not appear here who have contributed to the successful completion of this report.

I am well aware that this report is still far from perfection, but that is what I strive this report to be. I am open to any constructive critique and suggestions from all the readers of this reports. Hopefully, in the next research and observation, I can overcome any shortcomings and be a better scientific writer. My wish is having this report as a beneficial material for anyone who read or currently researching on relevant themes to this report. May the peace, mercy, and blessing of Allah be with you. Amin.

MOTTO

وَيَرْزُقْهُ مِنْ حَيْثُ لَا يَحْتَسِبُ ۚ وَمَن يَتَوَكَّلْ عَلَى ٱللَّهِ فَهُوَ حَسْبُهُۥٓ ۚ إِنَّ ٱللَّهَ
بَٰلِغُ أَمْرِهِۦ ۚ قَدْ جَعَلَ ٱللَّهُ لِكُلِّ شَىْءٍ قَدْرًا ﴿٣﴾

"....And whoever relies upon Allah – then He is sufficient for him. Indeed, Allah will accomplish His purpose. Allah has already set for everything a (decreed) extent." (65:3)
